

# Rock & Waterfall Cleaner Liquid

OXYL32 • OXYL128

## Features

EasyPro's family of water treatment products is designed to work together to achieve the natural ecological balance your pond needs to maintain clean, clear water.

EasyPro's Rock & Waterfall Cleaner Liquid brings safe and powerful oxygen based cleaning to waterfalls, streams, fountains, statuary and other water feature surfaces. Great for use in koi ponds.

- Effective, powerful, commercial strength, oxygen based cleaner for ponds
- Quickly cleans ponds, rocks and waterfalls
- Lifts debris to surface where it can be removed
- Maintains a healthy, balanced ecosystem and reduces pond maintenance
- Safe for use around fish, plants and pets
- For best results use with EasyPro All Season Bacteria and Barley Straw Extract

1 fl. oz. per  
300 gallons

## Directions for Use

### Application:

- Apply 1 fluid ounce per 300 gallons of water once a week. Can be applied directly to the pond. Product can be mixed in a bucket of pond water to evenly spread around pond or fountain. For best results apply in the morning under sunny, calm conditions. Debris can be removed from pond by skimmer or net.

Application can be repeated every 3 days until desired results are achieved.

- Product may cause short term lows in pH levels, check pH before applying
- Use when pH is between 7.0 to 8.0.

### Storage & Disposal:

- Store in cool, dry, well ventilated area out of direct sunlight. Avoid overheating or freezing.
- Do not reuse container. Dispose of package according to local regulations.

**WARNING:** CAUSES SKIN IRRITATION. CAUSES SERIOUS EYE IRRITATION.

Contains Hydrogen Peroxide.

Wash hands thoroughly after handling. Wear eye protection.

**FIRST AID** - *If on skin*, wash with soap and water. If skin irritation occurs get medical attention. Take off contaminated clothing and wash before reuse. *If in eyes*, rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If eye irritation persists get medical attention. *If swallowed*, call immediately for emergency medical assistance. DO NOT induce vomiting. Rinse mouth with water and drink 1-2 glasses of water. Never give anything by mouth to an unconscious person.

**KEEP OUT OF REACH OF CHILDREN**

Safe for fish & aquatic life
